Front Office & RA on Duty

The office phone number is (408) 924-6570. The International House office is open from 10:00 a.m. to 6:00 p.m., Monday through Friday. When the office is closed, one of our Resident Advisors (RA) or office aides is on duty to assist you. RAs are student residents who are here to help you meet your needs and to answer questions, address concerns, check-out computer room keys, room keys, vacuums, etc. The RA schedule is posted on the wall in the hallway near the TV room.

To find an RA on duty, check the wheel in the 1st floor hallway near the TV room for their location. If you expect visitors after 11:00 p.m. or on the weekend, you should be in the lobby to open the door for them. For your own and other’s safety, please do not prop open doors. Always take your keys with you and always lock your bedroom door. Please do not allow others

whom you do not know to enter the House and wander around unescorted.

For residents 21 years old and over, alcoholic beverages are allowed only in your bedroom. No parties are to

be held in bedrooms. “Parties” consist of the presence of more than two people who do not live in that room. Abuse of alcohol may lead to reduction of privileges, up to and including eviction. The drinking age in California is 21 years old. Non-residents may not consume alcohol at any time on the I-House premises.

Smoking

Laundry

Card swipe and Coin-operated laundry facilities are located in the basement. Provide your own detergent. If you do not know how to operate the machines, a staff person will help you. *Please use only a small amount of detergent; using too much soap causes the cycle to stop and the door to lock with your clothes inside.* You can purchase up to twelve quarters per day from the office or you can load the PayRange app on your phone and can pay via card.
