

GE Self-Study Data Exhibits

December 2016

Summary of Contents

Size and scope of GE offerings

Figure 1a. Trend of number of courses by area (page 1)

Figure 1b. Trend of number of sections by area (page 3)

Figure 2. Trend of average section size by area (page 5)

Figure 3. Trend of online GE offerings by area (page 7)

Table 1. Course demand by home college (page 9)

Student performance overview

Figure 4a. GE academic bottlenecks (D, F, W grades) by area (page 13)

Figure 4b. GE academic bottlenecks by course detail (page 14)

Figure 5. Grade distributions by area (page 17)

Figure 6. Repeat rates by course (page 18)

Comparisons of student populations

Figure 7. Average grade by GE area and ELM/EPT status (page 20)

Figure 8. Average grade by GE area and developmental course paths (page 22)

Table 2. Average grade by GE area and housing status (page 23)

Table 3. Average grade by GE area and online status (page 23)

Table 4a. GPA gap for URM students by GE course (page 24)

Table 4b. GPA gap for first generation students by GE course (page 27)

Table 4c. GPA gap for native freshmen versus transfers by GE course (page 30)

Table 5a. GPA gap for URM students by GE area (page 31)

Table 5b. GPA gap for first generation students by GE area (page 31)

Table 5c. GPA gap for native freshmen versus transfers by GE area (page 31)

Figure 1a. Number of courses offered per semester by GE area
 Number of distinct courses with regular session enrollment

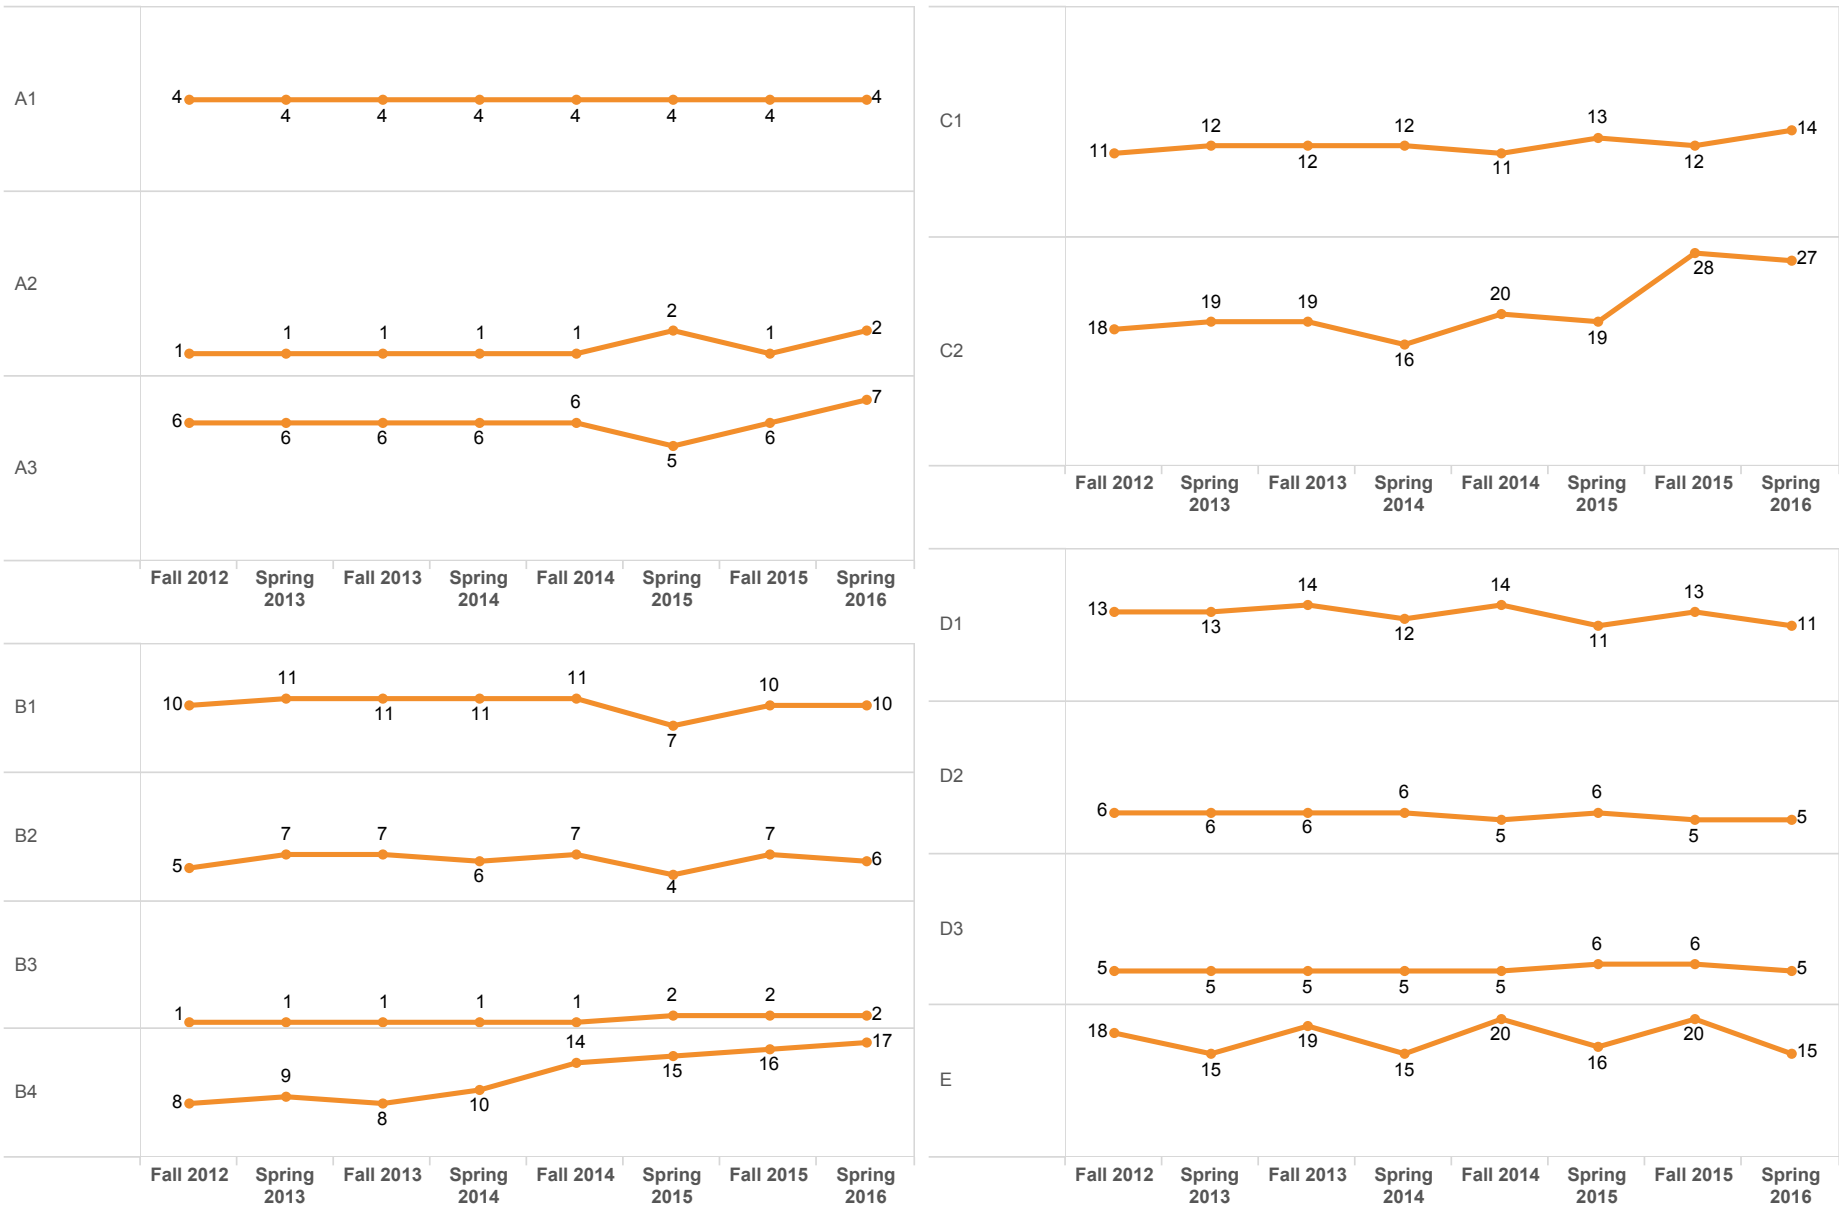

Figure 1a (continued). Number of courses offered per semester by GE area
 Number of distinct courses with regular session enrollment

* Multiple areas are as specified in each year's catalog.

** Many of the US institutions courses cover multiple areas, so they are not listed by area here.

Figure 1b. Number of sections offered per semester by GE area
 Number of sections for all courses with regular session enrollment

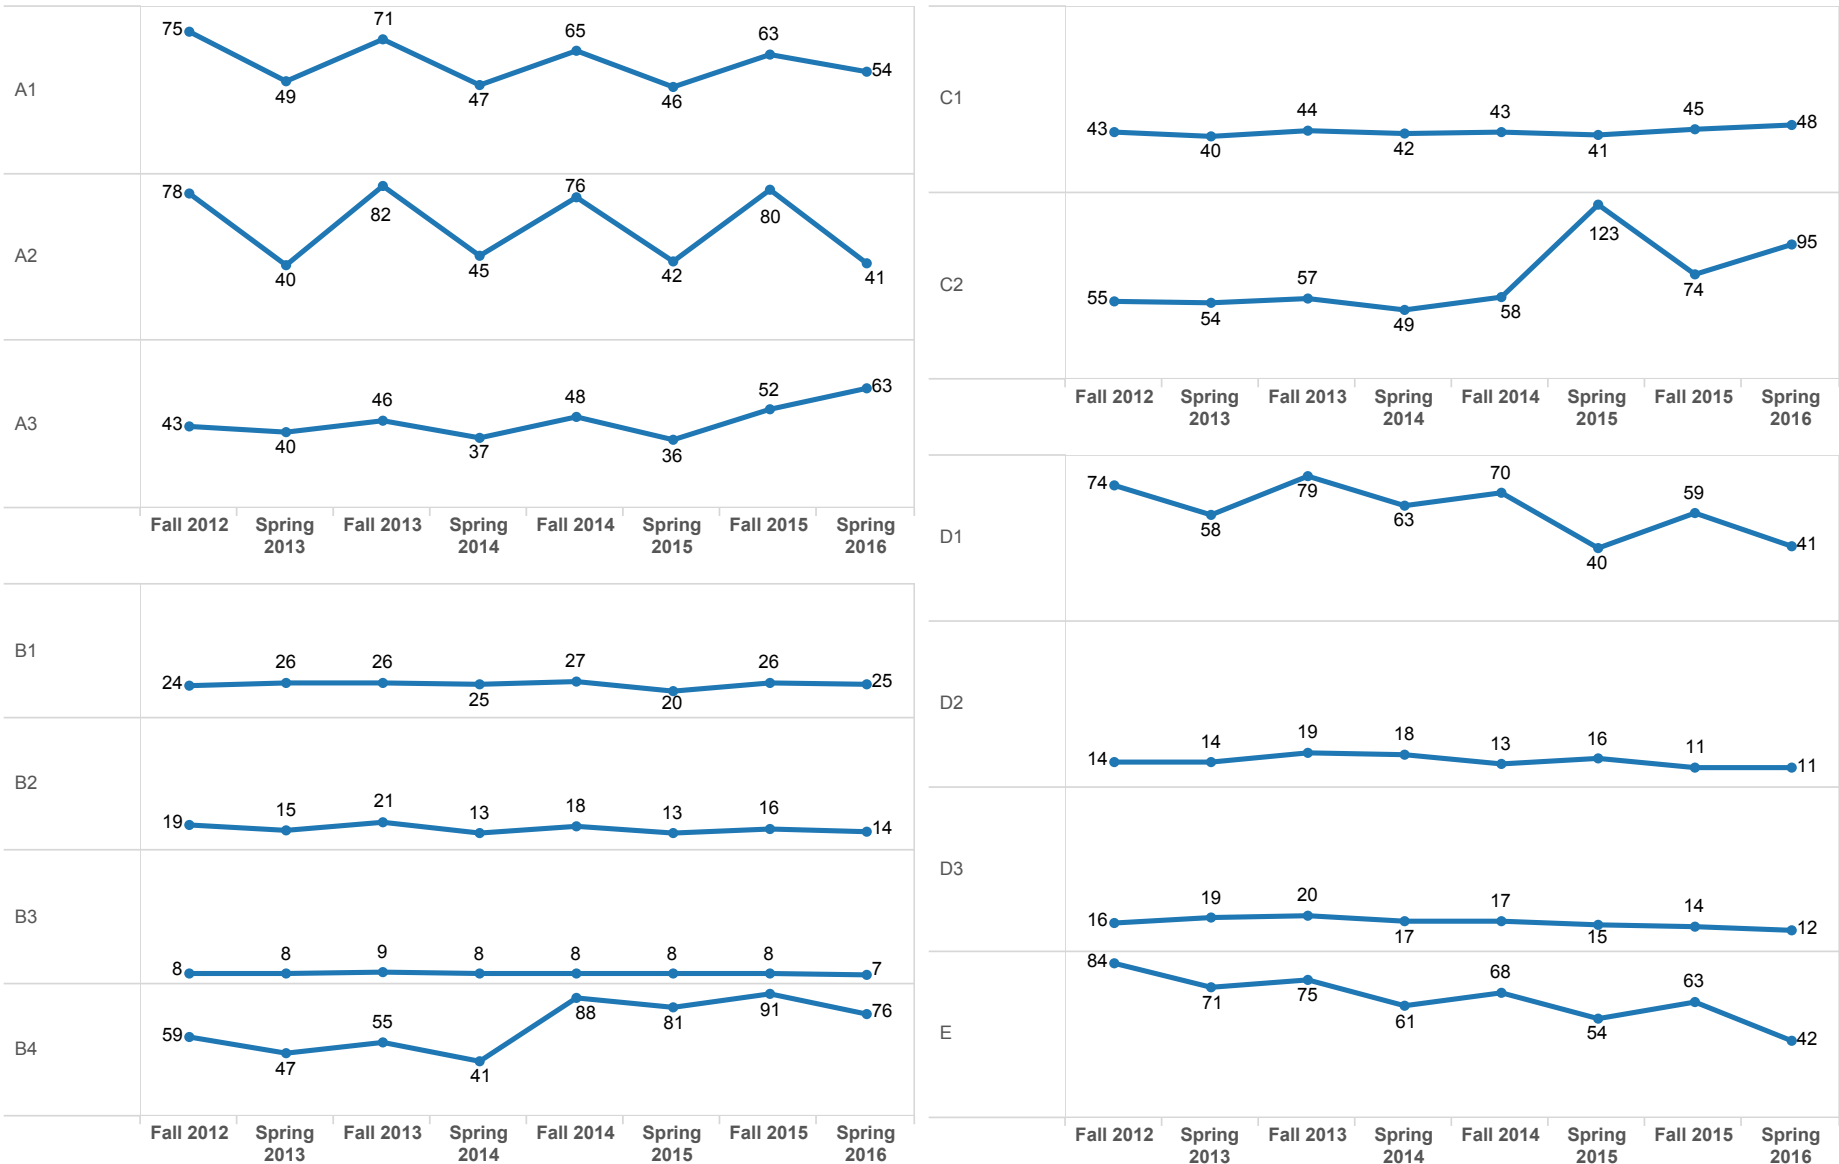

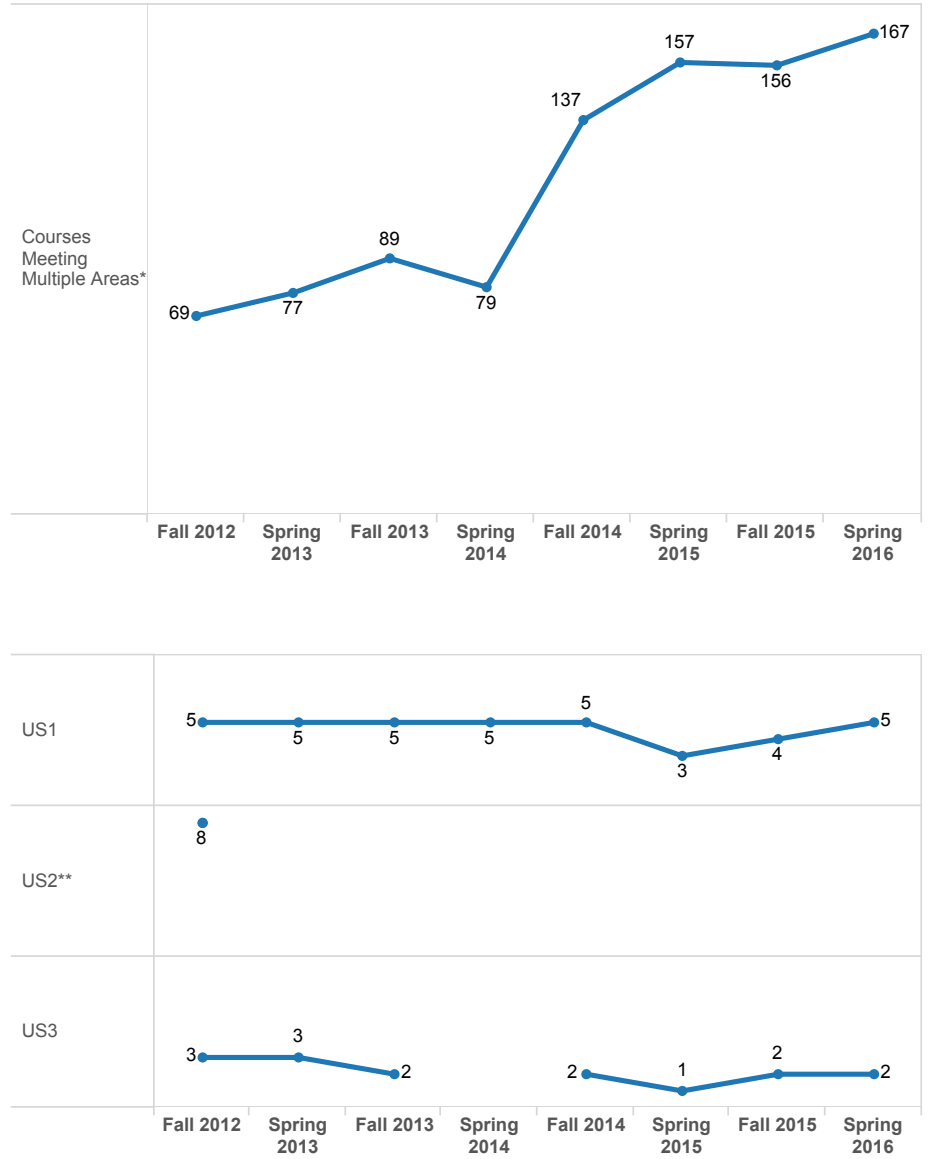

Figure 1b (continued). Number of sections offered per semester by GE area
 Number of sections for all courses with regular session enrollment

* Multiple areas are as specified in each year's catalog.

** Many of the US institutions courses cover multiple areas, so they are not listed by area here.

Figure 2. Average section size per semester by GE area
 Average number of students per class in regular session courses

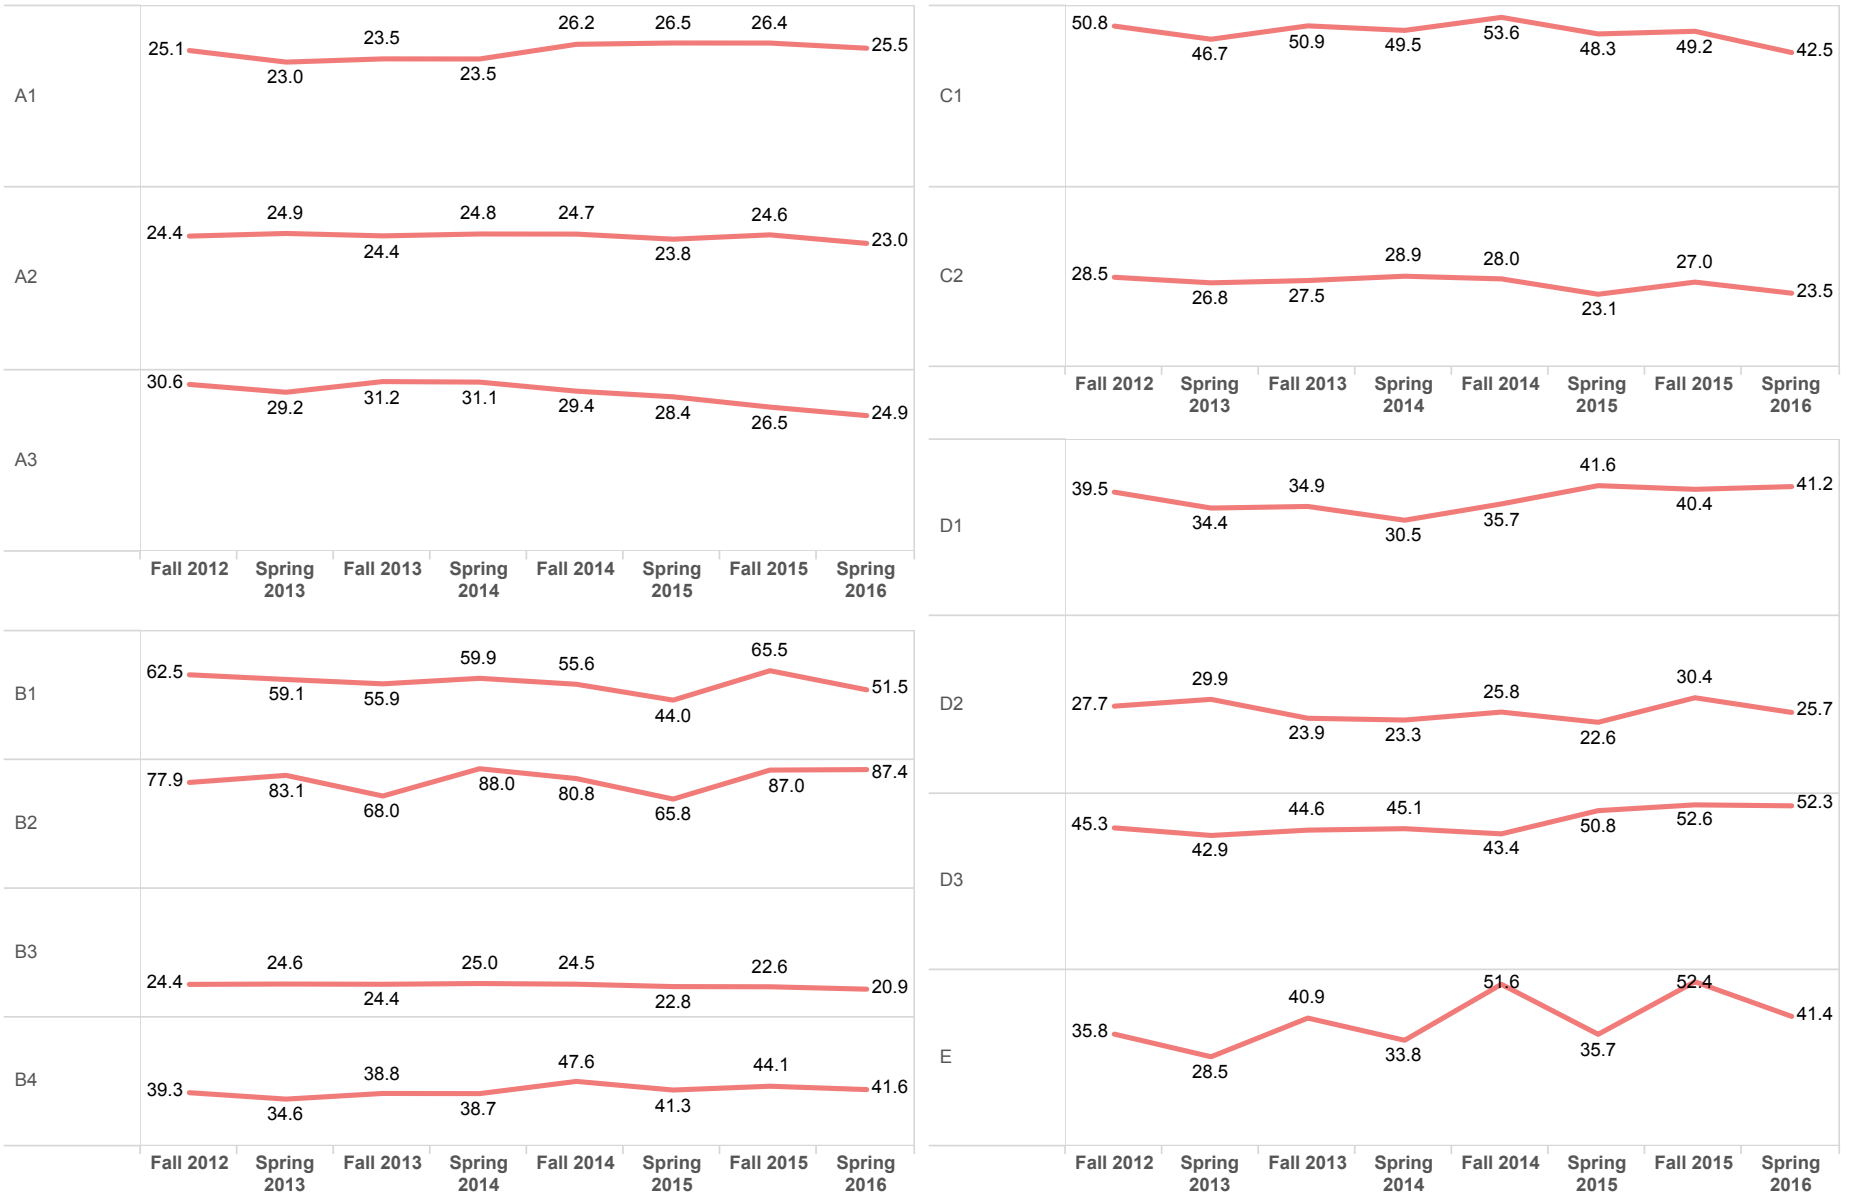

Figure 2 (continued). Average section size per semester by GE area

Average number of students per class in regular session courses

* Multiple areas are as specified in each year's catalog.

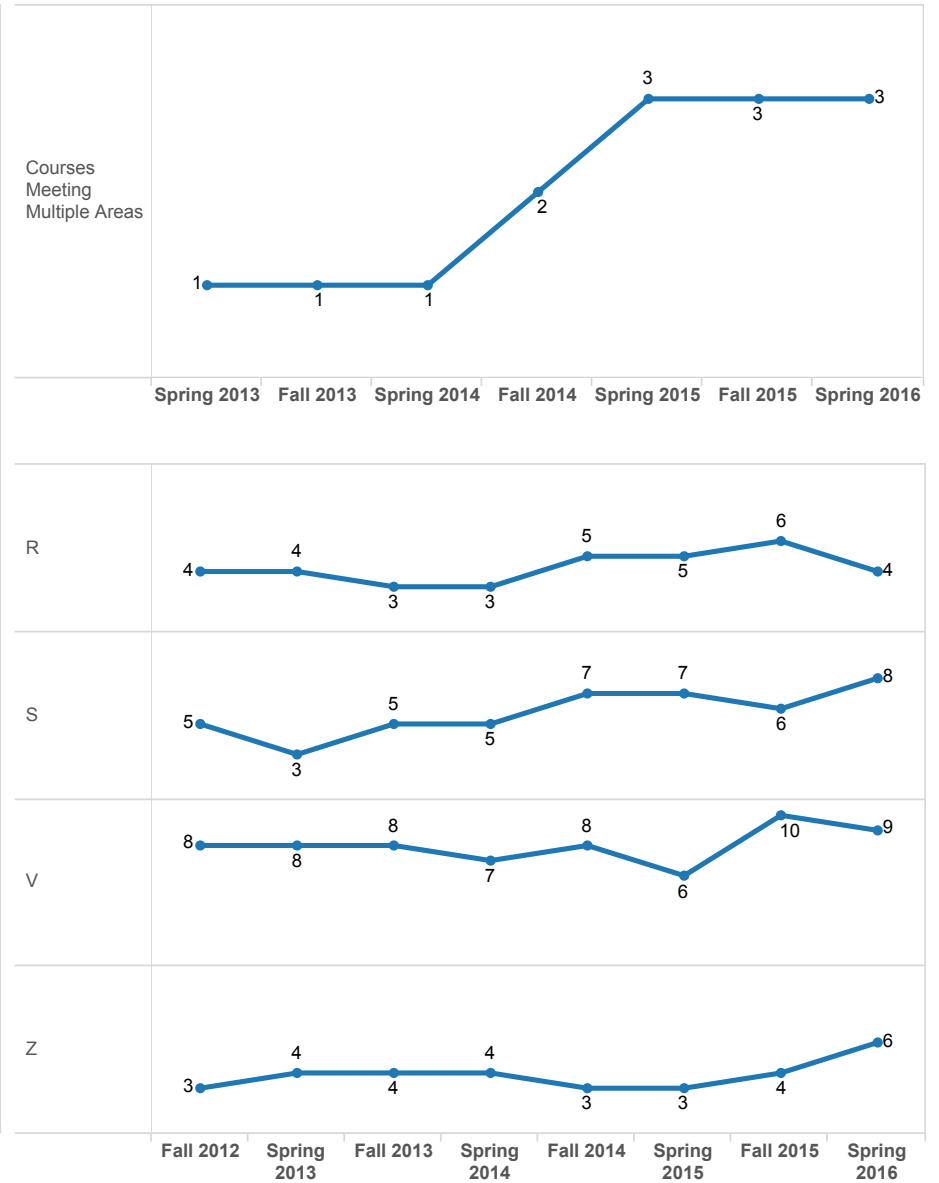

** Many of the US institutions courses cover multiple areas, so they are not listed by area here.

Figure 3. Online courses by GE area
 Number of distinct courses offered online in regular session

Note: Courses in Areas A2 and B3 were not offered online during the period shown.

Figure 3 (continued). Online courses by GE area
 Number of distinct courses offered online in regular session

Note: Courses meeting the US institutions requirements alone were not offered regularly online during the period shown.

Table 1. Course enrollment by student home college (Areas A1 to C2)
 Full-time equivalent students (FTES) for undergraduates taking each course (college based on first major)

FTES Enrollment by Home College										FTES Enrollment by Home College
