

How to Embed a Qualtrics Survey on a Canvas Page

The following tutorial has step-by-step directions for embedding a Qualtrics Survey on a Canvas page. This feature can be used to centralize an instructor's resources such as surveys on Canvas.

Step 1: Get the Survey Link from a Qualtrics Page

• Log into your Qualtrics Account <u>https://sjsu.qualtrics.com</u> [will lead to SJSU Single SignOn].

Sign In	
1 Username	6
Password	6
Remember me	

• Click on "Projects" present on the upper right-side of the screen.

qualtrics .	Projects Contacts Library Help
Folders	+ Create Project Q Search Projects
All Projects	View: 🗐 🚍 Sort By: Last Modified 🗸

Course Evaluation - Copy Last Modified: Jan 24, 2017 11:18 AM	Status Responses Active O No responses have been collected. View Reports
	Showing page 1 of 1

- Click on the name of the survey that you would like to embed on the Canvas page.
- Click on "Distributions" tab as shown below:

• Now, click on the "Anonymous Link" option from the right-side navigation bar. A link will appear as shown below. Copy and paste the link. This is the link that will be used to embed the survey (copy and paste it somewhere for further usage)

Course Evaluation - Copy ~	Proje	contacts	Library	Help	
Survey Distributions Data & Analysis Reports					
Pause Response Collection					
Distribution Summary					
Anonymous Link	Anonymous Survey Link				
Emails	A reusable link that can be pasted into emails or onto a website, and is unable to track identifying information of respondents.				
Personal Links	https://sjaugualarice.com//fa//orm/OV-en046Ma, f0jb/pa				
$e_{i_0}^{e_0}$ Social Media	Customize Link				

Step 2: Use the Survey Link on a Canvas Page in HTML view

• Log into your Canvas Account <u>https://sjsu.instructure.com/[</u>will lead to SJSU Single SignOn].

• After Switching View, you will be able to see some blank space where in you can type or copy paste this following code:

<iframe src="YourSurveyLinkWillGoHere" width = 800 height=600></iframe>

- Copy your Survey Link and place it in the above code as indicated between the quotation marks.
- After you do the above step, your code inside the Switched View should be something like the below text:

<iframe src="https://... " width = 800 height=600></iframe>

• Click on Save to save the page and then the page should be embedded with your Qualtrics Survey (Resize the width and the height as per requirement
