## Step 6:

You can click on the **Advanced Turnitin Settings** to explore more and change other **Turnitin Settings**.

A screenshot of a web-based settings dialog box for Turnitin. The dialog has a title bar with a close button (X) in the top right corner. The main content area is titled "Students Can See the Originality Report" and contains a dropdown menu currently set to "Immediately". Below this, there are three sections of settings:

- Compare Against:**
  - Other Student Papers
  - Internet Database
  - Journals, Periodicals, and Publications
- Do Not Consider:**
  - Bibliographic Material
  - Quoted Material
  - Small Matches
- Turnitin Repository:**
  - Include in Repository

At the bottom of the dialog, there is a blue button labeled "Update Settings".

## Step 7:

Add due date and other availability dates. After all changes have been done to the Assignment, click on the “**Update Assignment**” button to successfully commit all changes to the assignment.

The screenshot shows a form for updating an assignment. It features four input fields: 'For', 'Due Date', 'Available From', and 'Until'. The 'For' field is a dropdown menu currently set to 'Everyone'. The 'Due Date' and 'Available From' fields include calendar icons. Below these fields is a horizontal scrollbar. At the bottom of the form, there is a checkbox labeled 'Notify users that this content has changed', a 'Cancel' button, and a blue 'Update Assignment' button.
