

Steps to Access and Manage Your Zoom Account

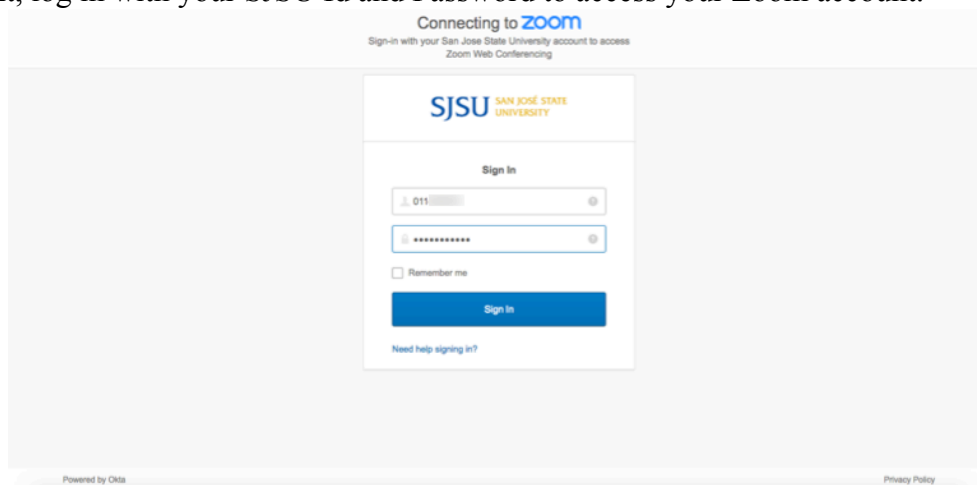

This guide will walk you through the steps to access your Zoom account and manage your profile settings.

Manage, personalize, and configure your Zoom account settings

1. To manage your Zoom account and edit your profile, go to <https://sjsu.zoom.us> and click on the “Sign in” button.

2. Next, log in with your SJSU Id and Password to access your Zoom account.

- Once in your account, click on Profile on the left navigation menu to access your profile settings. You can add a profile picture by clicking on the image placeholder/change link. Then, you can edit other options by clicking on the edit link.
