IMPORTANT INFORMATION ABOUT COMPLETING THE STEPS TO ENROLLMENT

Although the steps are presented in numerical order, keep in mind that you may not necessarily complete all of these steps in the order that they are presented. Refer to your MySJSU student account for specific deadlines and tasks that need to be completed to ensure your enrollment.

STAY COMMITTED TO THE PROCESS

It is very important that you make note of the steps in the process and their related deadlines. We have put these deadlines in place to help you be successful on your road to enrollment. Each step in the process builds on the next and there are consequences if you miss a requirement. This means that you risk having your admission withdrawn if you do not meet our deadlines and maintain your eligibility. To prevent this from happening, sign in to your MySJSU student account (one.sjsu.edu) every few days and thoroughly read any messages, "To Do List" items, or posted deadlines and take the requested action as soon as possible.

Congratulations on Your Admission!

We are excited to welcome you to San José State University, the founding campus of the California State University (CSU) system. Please know you still have steps to take to stay admitted and officially enroll for Fall 2022, which are outlined in this guide.

Frequently Asked Questions

What if I do not complete required courses or miss a deadline?

You will have your admission to SJSU revoked and your registration canceled. Failure to submit your transcript(s) will result in your application being withdrawn, even if you have signed up for housing and attended orientation.

What if I am taking courses required for admission during the Summer 2022 term?

You may not use coursework from the Summer 2022 term to complete admission requirements

Can I defer admission to another term?

No, your admission offer is good for the Fall 2022 term only. You must attend at least one course during the Fall 2022 semester to maintain your admission. If you wish to be considered for a later term, you must submit a new application for the next available term for which you meet the minimum requirements.

Keep your own copy of the general education plan from your community college. Keep track of the courses you've completed to meet the GE requirements. Work with our academic advisors to complete remaining courses at SJSU.

Can I change my major?

Due to space limits in many SJSU departments, you may not change your major before the term starts. Note that change of major is never guaranteed, even after admission to SJSU.

Step 5

Submit Proof of Vaccination and Immunizations

IMMUNIZATION
INFORMATION

immunizations](https://sjsu.edu/medical/services/immunizations)

COVID-19 Vaccination Requirement

The deadline for incoming Fall 2022 students to complete their COVID-19 two-step self-certification requirement is **June 1, 2022**.

Per California State University (CSU) policy, students, faculty and staff must be fully vaccinated against COVID-19, including a booster shot, if they are accessing campus facilities at any university location across the 23 campuses. The CSU's COVID-19 vaccination policy will allow medical and religious exemptions. For updated information on COVID-19 vaccine requirement policy, please visit [Health Advisories website](#).

Submit Proof of Vaccination

You must complete both of the following steps to meet the June 1, 2022 deadline for compliance.

Step 1: Complete the COVID-19 Vaccine Self-Certification form in MySJSU.

You will be asked to certify your current vaccination status or indicate if you qualify for a religious or medical exemption. Students requesting a religious exemption can upload their supporting documentation as an attachment on the COVID-19 Vaccine Self-Certification form. Prior to submitting a religious exemption form, please convert the PDF into a .BMP, .JPG, .JPEG, .GIF, and .PNG, type attachment. All other attachment types will not be accepted.

Step 2: Submit proof of COVID-19 vaccination in the Student Health Center Patient Portal.

You will need to submit proof of your COVID-19 vaccination record and/or request for a medical exemption. Proof can include a scanned/photo copy of your vaccine card or a record containing all of the following: full name, date of birth, manufacturer/brand of vaccine, vaccine lot number, administration date and site. Please ensure all information is visible and legible in English to prevent delays in verification.

The status will read "awaiting review" in the Medical Clearances section once submitted.

For more information, please also visit our [COVID-19 Vaccine Requirements page](#).

Additional Required Immunizations

As a new student, you will need to provide proof of immunizations prior to the first day of classes.

Required Immunizations

- Measles, Mumps and Rubella Vaccine
- Varicella (Chicken Pox Vaccine)
- Tetanus/Pertussis/Diphtheria Booster (Tdap)
- Meningococcal conjugate
- Hepatitis B Vaccine

Complete Writing Skills Test Directed Self-Placement Exercise

WRITING SKILLS TEST INFORMATION

sjsu.edu/wac/wst/students

DEPARTMENT EXAM LISTING

catalog.sjsu.edu

Traditionally, all SJSU students must take and pass an in-person Writing Skills Test before they are eligible to enroll in many upper-division courses. While we are sheltered and the traditional WST exam is suspended, students must complete the temporary replacement for the WST: the WST-Directed Self-Placement (WST-DSP). The online WST-DSP is an exercise (not a test) that helps students place themselves in the appropriate writing course at SJSU. Before registering for the WST, students must earn a “C-” or better grade in English 1A (or its equivalent) and are strongly recommended to have completed a GE area A3 course.

What you need to do:

- Make sure you have met the above criteria in order to complete the WST-DSP
- Go to sjsu.edu/wac/wst/ and read the information there
- Click on the link “WST Directed Self-Placement Exercise” and complete the exercise
- This will only take 10-15 minutes
- Make sure you complete the WST-DSP before you enroll in your courses at SJSU

Department Exams (If Required)

To learn if you need to take a department placement exam, contact the department that oversees your degree program (major). View a listing of degree programs and their departments at catalog.sjsu.edu

Register for Classes

SCHEDULE OF CLASSES

sjsu.edu/classes

SJSU CATALOG

catalog.sjsu.edu

You will register for classes in your MySJSU student account once you have an enrollment appointment.

Registration Appointments

To receive a registration appointment, you must submit official transcripts by the date posted on your MySJSU "To Do List" and attend your mandatory Transfer Orientation session. Be sure to send official transcripts by the deadline posted. Send official transcripts to verify your eligibility to enroll as early as possible to minimize delays in the assignment of your registration appointment.

Attend Spartan Experience for Transfer (Mandatory Transfer Orientation)

Registration for new transfers will take place during Spartan Experience for Transfers (Transfer Orientation). To be eligible, we must have received your final, official transcripts.

Registering for Courses

Sign in to one.sjsu.edu > click "MySJSU" > navigate to "Student Center" > click "Enroll" under "Academics" section > choose the semester you want to enroll > click "Continue".

You can now select the class to add. The [SJSU Schedule of Classes](#) has the specific class number codes and section numbers you'll need to register.

Registration Holds

If you have a registration hold, sign in to one.sjsu.edu and click on the MySJSU tile, go to self-service, look for the "hold" box on the right column, click "details" to find out how to resolve your hold. If you do not have a hold, you may begin to register at your appointment time. (You do not need to come in person or call us to register.)

Late Registration

After the initial registration period (Advance Registration) ends, you may still register, but not until the first day of instruction. Late registrants are assessed a \$25 late fee. Late registration is dependent on the space available. Getting the classes you want may be very difficult.

What will I need to register for classes?

A file of your SJSU admission information, including admission letters, grade reports, copies of transcripts from other schools, placement test scores, and everything related to your enrollment.

Attend all segments of the mandatory orientation.

STEP 8: REGISTER FOR CLASSES CONTINUED

SCHEDULE OF CLASSES

sjsu.edu/classes

SJSU CATALOG

catalog.sjsu.edu

Once I've registered, can I change my schedule?

If work or family obligations require you to change your schedule, you may make changes to your class schedule before the last day to drop classes.

Important note: before dropping any class(es) from your schedule to enroll in a different class, be sure you can successfully add the other course(s). Classes at SJSU fill up quickly. If a course you want is full, search for open sections via MySJSU or MyScheduler (both can be found at one.sjsu.edu). Or, place yourself on the class waitlist. It is not guaranteed that you will be able to enroll into waitlisted courses.

Can I still get academic advising if my transcripts have not been fully evaluated?

Yes. Advisors will advise you on general university expectations and graduation requirements, including general education course requirements. However, once you get your transcript fully evaluated by Admissions, you must meet with an Academic Advisor for your program again to re-examine your general education checklist and progress toward degree completion because changes to your academic plan may have to be made. This is essential if you plan to graduate in a timely manner.

What if I don't register for the Fall 2022 semester?

Your admission is only good for the Fall 2022 semester. You must attend at least one course during the Fall 2022 semester to maintain your admission. If you do not enroll in courses during the term of your admission and wish to be admitted for a later term, you must submit a new application for the next available term for which you meet the minimum requirements.

Step 9

Pay Tuition and Fees

PAYMENT PLAN INFORMATION

sjsu.edu/bursar/payment-refunds/installment-payment-plan

Fees are due after registering for your classes. To see your payment due date, check your MySJSU account under the “Finances” section. You have the option to pay in full or sign up for a payment plan. For details, visit sjsu.edu/bursar

After you register, sign in to your MySJSU account to view the amount you owe and your payment due date. SJSU does not send invoices to students. It is your responsibility to check your MySJSU account to keep current with your account. Failure to pay by the deadline may result in all your classes being dropped. Costs of Attendance

Amounts are based on full-time attendance (12 units per semester or more) for a nine-month academic year. More detailed information about fees can be found at sjsu.edu/bursar

| Costs | With Parents | Campus Housing* | Off Campus |
|------------------------------------|-----------------|-----------------|-----------------|
| Room and Board | \$10,056 | \$17,360 | \$19,266 |
| Transportation | \$1,330 | \$1,134 | \$1,274 |
| Miscellaneous/Personal | \$2,614 | \$2,139 | \$2,877 |
| Books and Supplies | \$1,110 | \$1,110 | \$1,110 |
| **Tuition Fees (6.1 or more units) | \$7,852 | \$7,852 | \$7,852 |
| Total (CA Residents) | \$22,962 | \$29,595 | \$32,379 |

* Campus Housing costs are average of CV Buildings + 21 swipes/week meal plan

** All fees and charges are subject to change without notice. Loan fees could average from \$80 - \$190 depending on one's career. Non-Resident Fees are charged an additional \$396 per unit.

Fees are Subject to Change

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

California Residency for Tuition Purposes

The determination of residency for tuition purposes affects whether a student pays in-state or out-of-state tuition fees. Out-of-state tuition fees are higher than in-state tuition fees. Just because a student is or has been a resident of the State of California does not mean that he or she qualifies to receive the in-state tuition rate. Certain requirements, established under California law, must be met.

Visit the California State University site for additional information regarding residency www2.calstate.edu/apply/california-residency-for-tuition-purposes/Pages/default.aspx

If you attended high school in California for at least three full years and graduated or earned an equivalent degree, you may be eligible for resident (in-state) tuition. You must file an affidavit (sjsu.edu/registrar/docs/AB_540.pdf) with SJSU. You will need to show proof of attendance and graduation.

For more information visit sjsu.edu/registrar/registration/residency/ab540.php

Veterans please contact the Veterans Resource Center to see if you're eligible.

Installment Payment Plans

The university offers payment plans to assist students and their families in making their payments over a period of time. Two payment plans are offered for the fall and spring semesters:

- Tuition and fees payment plan
- Housing payment plan

Students may sign up for both plans if needed and each payment plan has a \$35 fee. The initial payment includes campus mandatory fees, optional SIRF fee, First Day Solutions charges and miscellaneous class fees. These fees must be paid by your payment due date and are not included in the installments.

Eligible charges that can be divided into the installment payments include tuition fees, non-California resident fees, and graduate professional business program fees. A student must have a minimum of \$1,000 in eligible charges to qualify for the payment plan. Visit sjsu.edu/bursar/payment-refunds/installment-payment-plan for more information.

Field Trip Fees

A few courses have additional field trip fees ranging from \$11 to \$52.

Special or Optional Fees

Parking permits are available for students. A daily one-semester parking permit is estimated at \$192.

Refunds

Students are highly encouraged to enroll in Direct Deposit. With Direct Deposit, you receive your refund several days quicker than a paper check and more securely. To enroll, log in to MySJSU, scroll to Finances and select Enroll in Direct Deposit. To learn more visit sjsu.edu/bursar/payment-refunds/refunds

Bookstore Charges

Registered students can charge books and supplies purchased at the Spartan Bookstore to their MySJSU student account up to \$900 per semester. For more details visit sjsu.edu/bursar/our-services/spartan-bookstore-voucher

Keeping Your MySJSU Account Current

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university, or its agent, has the right to pursue collections in order to repay a delinquent debt owed to the university.

Financial Aid

FAFSA

To help cover the cost of attending SJSU, you can apply for financial aid, which is provided in the form of federal grants, state grants, work study, and loans, by using the Free Application for Federal Student Aid (FAFSA) at fafsa.gov

California Dream Act – State Aid for Undocumented Students

AB540 students (undocumented immigrant status) may qualify for state grant programs that make up the California Dream Act. The California Dream Act is the result of two bills, Assembly Bill 130 (AB 130) and Assembly Bill 131 (AB 131). For the California Dream Application, you will need SJSU's six-digit code, which is 001155. Learn more at sjsu.edu/faso/applying/california-dream-act.php

Applying for Aid

Once you apply for financial aid (either via the FAFSA or California Dream Act Application), SJSU's Financial Aid Office will post requests on your MySJSU student account for documents required to determine if you are eligible for financial aid and how much you are eligible to receive. It will take about two weeks to receive a response after you apply and up to three-to-four months to complete the entire process. Learn more at sjsu.edu/faso

Student Responsibilities and Rights

As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution (S90–5). Students are encouraged to consult the Student Responsibilities and Rights section of the SJSU Catalog (catalog.sjsu.edu) to ensure an understanding of the resources, requirements, and programs designed to support students' academic and personal growth, as well as review important university policies and procedures every student at SJSU is responsible for knowing and upholding.

Student Code of Conduct

Members of SJSU are expected to uphold the community standards and demonstrate academic integrity, accountability for one's actions, respect for oneself and one's community, and personal development. It is, therefore, important that students familiarize themselves with the Student Conduct Code and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog, schedule of classes, at sjsu.edu/studentconduct/policies

Students with Disabilities

The Accessible Education Center (AEC) provides academically related accommodations and services for students with disabilities. To qualify, students must complete an AEC application and meet with an AEC Counselor. A wide spectrum of accommodations/services/auxiliary aides are available to students based on individual needs. Accommodations include, but are not limited to: Consideration for priority registration, note takers, sign language interpreters/Captioners, test accommodations, academic counseling, disability management and assistive technology training.

Students can register with the AEC anytime during the semester; however, it is recommended students provide the AEC with disability verification as soon as possible to assist them. Visit AEC's website (sjsu.edu/aec) for more information.
