

Terms and Conditions of Transfer Admission | Spring 2022

Provisional Admission

This offer of provisional admission is based on the academic information you reported on your Cal State Apply application and SJSU supplemental application. All of your academic information must be verified before you will be allowed to enroll and register for classes at SJSU. Your admission will remain "provisional" until your official, final transcript(s) passes verification. This offer of provisional admission to the academic plan (major) listed on your admission letter is only valid for this term and may not be deferred to another semester. Detailed information on each of the steps can be found in the *Steps to Enrollment* brochure included in your virtual admission packet posted to your MySJSU account.

Returning SJSU Students: All returning SJSU students must comply with all deadlines and admission requirements included in this document.

Failure to do so will result in your admission being withdrawn, even if you have received financial aid, signed up for housing, attended orientation, or registered for classes. To satisfy the provisions of your admission and become a fully admitted student, you need to complete all of the mandatory steps in this document.
