

EO 1110 AT SJSU | Completion of First-Year GE Writing and Math/QR Requirements

ISSUE

Before Fall 2018

- Students were placed into remedial math and writing classes.
- Remedial classes took up to a year to complete.
- Remedial class units did not count towards graduation.
- Students who did not complete remedial classes risked disenrollment.

STRATEGY

EO 1110 Resolution for Supported Instruction

- All Frosh enter general education classes in both mathematics and writing.
- Students who need additional instruction enroll in supplemental workshops or classes.

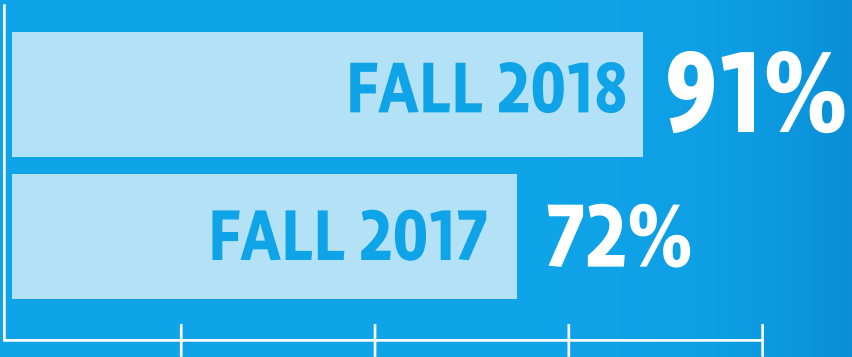

SUPPORTED INSTRUCTION

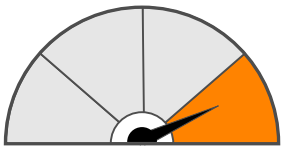

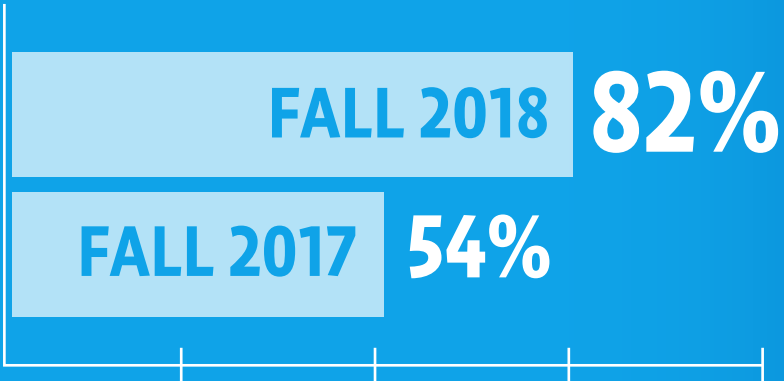

OUTCOMES

Completed Writing and Math Requirements in First Year

Writing (A2)

Math/Quantitative Reasoning (B4)

SUCCESS

Progress to Degree

These results are a direct measure of student success and will help us meet our Graduation Initiative 2025 goals.
